Dear Mr. Weisburg,

I have been reading your book entitled "Photographic Whitewash, Suppressed Kennedy Assassination Pictures", and am glad that you are writing this series of books trying to inform the public of the dishonesty of the U.S. government. I would like your answers to a couple of questions if you have the time to do so. How can we, as the public, have this case reopened and the truth obtained? Also how can we go about having the government corrected. Meaning finding about what is going on between the F.B.I. and the C.I.A.? I believe as you do that these two secret organizations are behind the conspiracy. I hope you, Mr. Garrison, and all involved in the legal aspects of this case can help us.

Thank you very much,
